## ACTIVITIES

(From SCAD, 2019-2021)  
Former Members of the Following:

SCAD Sequential Art Society

Mini Comics Club

Storyboarding Club

Member of SCADServe

**FedEx Office , Morris Plains, NJ - Store Consultant, January 2022-Present**

- Shipping customers' packages to various locations around the world, overseeing retail items throughout the store, and printing various apparatuses for customers ranging from oversized banners to photography prints.

**Freelance Artist, Morristown, NJ - 2016-Present**

**PROJECTS**

**The Commuter — Animated Film, 2020**

- In my sophomore year at The Savannah College of Art and Design, I created this film for a 10 week course at SCAD for "ANIM-190".

**New Jersey DareDevils, Frankenfest— Logo Designs, 2017-2023**

- In 2017, I was selected as a cartoonist/designer for the New Jersey DareDevils, a special needs hockey team mainly consisting of players on the autism spectrum.

**“Project Holocene” — Graphic Novel Project, 2021-Present**

- A post-apocalyptic, sci-fi fantasy graphic novel project that I've been working on since October 2021 initially as a "side gig" which turned into my ultimate goal.

**Call Me — Animated Film, 2022-Present**

- A short film that's based in a sci-fi "cyberpunk" universe that's to the beat of an old 80's song.

**Untitled Thesis Film — Animated Film, 2022-2023**

- In late 2022 into mid-2023, I helped two students at Montclair State University complete their senior thesis film. I was initially casted as a secondary effects animator and later an assistant background artist.
